Google Skills

1. A hands-on lab is an online learning environment along with a set of instructions to walk you through a live, real world, and scenario-based use case. In a lab you have access to the actual environment you want to learn about, not a simulation or demo environment. You can access the lab environment from anywhere on the Internet using a standard browser.
2. You have a 6 months Google Skills credits with access to all Google Cloud labs, quests and Skill Badges. **Read carefully the email “Please create and activate your Google Skills account :-)” sent on June 23rd, 2026.** It has all the information you need to activate the account properly.

1. Google Skills support can be reached via:
 - a. Email: support-skills@google.com
 - b. [Google Skills Portal](#)
2. While contacting the support please provide the following:
 - a. Your login email address
 - b. Description of an issue to be solved
 - c. Screenshots of the issue (if needed)
