

JIRA LOGIN ACCOUNT SETUP

STEP 1.

Go to Jira website

Step 2.

The screenshot shows the Jira website's login and sign-up interface. At the top, there is a navigation bar with the Jira logo, links for Features, Solutions, Guide, Templates, and Pricing, a 'Get it free' button, a search icon, and a 'Sign in' link. The main content area has a light blue background. On the left, a large heading reads 'Focus on outcomes, not admin', followed by the text 'AI-powered project management that removes the work around work.' On the right, there is a 'Work email' section with a text input field containing 'you@company.com' and a 'Sign up' button. Below this, a section titled 'Or continue with' offers four options: Google, Microsoft, Apple, and Slack, each with its respective logo. At the bottom, there are four cards representing different use cases: 'Software development' (with a sub-header 'PROJECT AND TASK TRACKING' and a status 'IN PROGRESS'), 'Marketing' (with a sub-header 'PLAN AND LAUNCH CAMPAIGNS' and a calendar snippet), 'Project management' (with a sub-header 'TURN IDEAS INTO DELIVERY' and a snippet about 'Digital Transf...'), and 'IT' (with a sub-header 'MANAGE AND TRACK REQUESTS' and a snippet about 'Vendor Request Form').

Step 5.

Step 6.

Step 7.

The screenshot shows the Jira 'Name your first project' setup screen. The main heading is 'Name your first project' with a yellow 'T' icon. Below it, a subheading reads 'Projects bring your work to life, helping your team track progress, stay organized, and manage tasks.' A text input field labeled 'Name your project' contains the text 'My Kanban Project'. Below the input field, a section titled 'Example project names:' lists 'Team Astro, Visual upgrade, Bug tracking, Product launch'. To the right, a preview of a Kanban board titled 'My Kanban Project' is shown, featuring columns for 'TO DO', 'IN PROGRESS', and 'DONE'. A blue 'Get started' button is located at the bottom center. The Atlassian logo is at the bottom of the page.

Name your first project

Projects bring your work to life, helping your team track progress, stay organized, and manage tasks.

Name your project

My Kanban Project

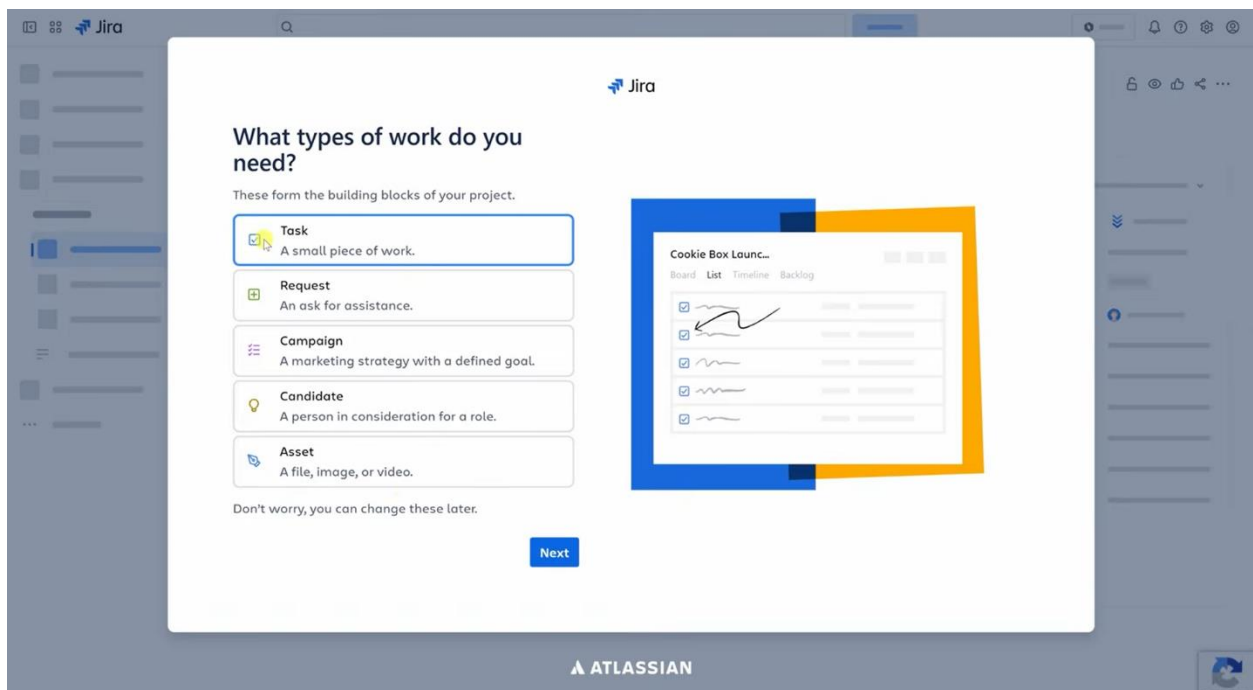

Example project names:

Team Astro, Visual upgrade, Bug tracking, Product launch

Step 8.

The screenshot shows the Jira 'What types of work do you need?' setup screen. The main heading is 'What types of work do you need?'. Below it, a subheading reads 'These form the building blocks of your project.' A list of work types is provided: 'Task' (A small piece of work.), 'Request' (An ask for assistance.), 'Campaign' (A marketing strategy with a defined goal.), 'Candidate' (A person in consideration for a role.), and 'Asset' (A file, image, or video.). To the right, a preview of a 'Cookie Box Launch...' board is shown, featuring a list of tasks with checkboxes. A blue 'Next' button is located at the bottom center. The Atlassian logo is at the bottom of the page.

What types of work do you need?

These form the building blocks of your project.

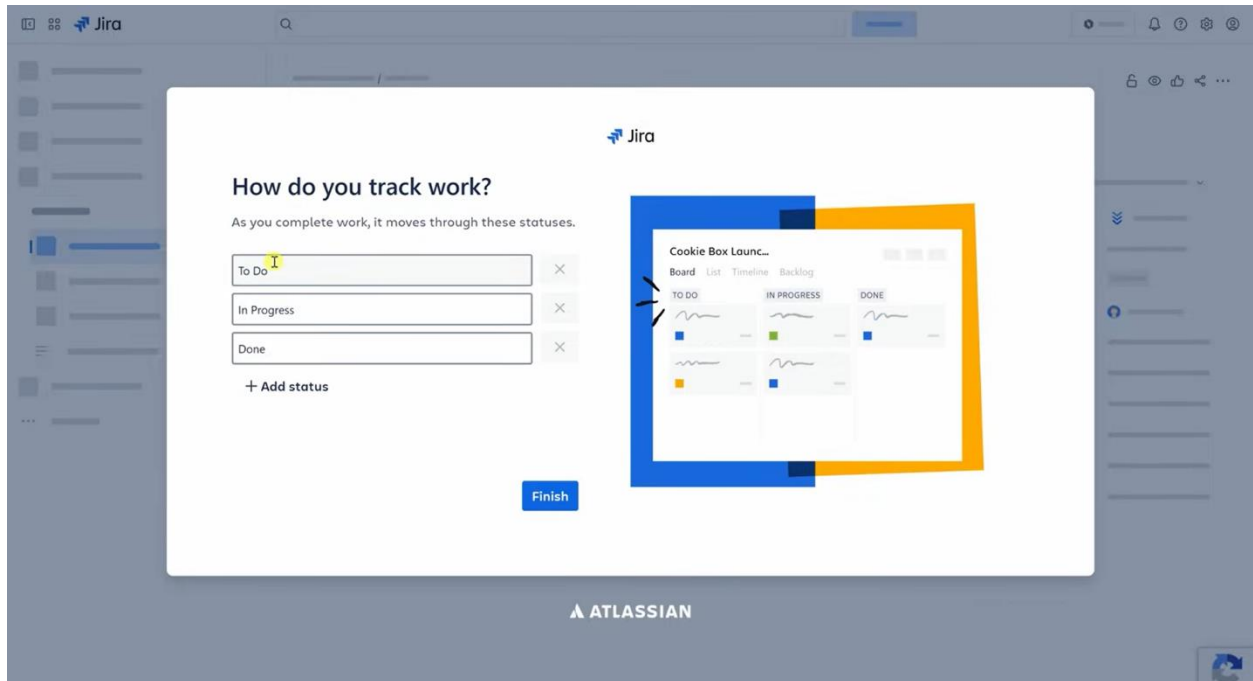

- Task**
A small piece of work.
- Request**
An ask for assistance.
- Campaign**
A marketing strategy with a defined goal.
- Candidate**
A person in consideration for a role.
- Asset**
A file, image, or video.

Don't worry, you can change these later.
